SECOND VICTIM  
IN NEW YORK  
GAMBLING

NEW YORK, July 31.—Another victim has been claimed by the grafting police officials' ring, which for years has been in and in glove with the gambling element in this city. This afternoon James Verrelli, a well-known cafe keeper, was shot and killed for betraying the murderer of Herman Rosenthal, the gambler. The shooting of Verrelli has caused an intense sensation throughout the city, and the gamblers and their satellites are reported to be fleeing from New York.

Prosecutor Whitman issued a statement today dealing with the case which is attracting more attention than any similar case in years. He said that the murder of Rosenthal was planned for ten days before it actually occurred, and that the failure was bitterly denounced by Lieutenant Becker, who declared that he would have to do it himself.

Becker is being showered with letters from women sympathizers from all over the country.

## CONGRESSIONAL SQUABBLE MAY

## DELAY OPENING OF CANAL

WASHINGTON, July 31.—The hope that Congress will at this session take any active steps toward providing for the operation of the canal and the government of the canal zone after the big ditch is thrown open for traffic is daily growing dimmer as the time for the adjournment draws near.

Secretary Stimson today issued a statement in which he urged immediate action, and declared that unless Congress provides for the operation, it would be impossible to open the canal next year as planned.

## JAPAN AFFAIRS

## AGAIN MOVING ON

TOKIO, Japan, July 31.—Dai Nippon today picked up the burden of her every-day routine at the special request of the new emperor, Yoshihito, who declared that he believed his father would prefer that the business of the empire move forward with as little interruption as possible.

The court mourning however remains uninterrupted, according to the Emperor's orders, and he ceremonies for the dead will be carefully observed.

No date as yet has been set for the funeral of the late Emperor.

## REPORTED TWO AMERICANS

## MURDERED BY OROZCO

MEXICO CITY, July 31.—Two Americans have been murdered by the Mexican bandits, under the direct orders, it is alleged, of General Orozco.

It is not known here what the names of the unfortunates were, and few details of the affairs have become known at the government offices here. It is understood that they were hanged by the rebels in an effort to force the United States to intervene at once and so stop the conflict, which has now grown hopeless.

From Juarez comes the news that Orozco, when notified by Consul Edwards that Secretary Knox had forwarded a note of protest against the treatment of Americans in Chihuahua, declined to receive the communication, declaring that he "did not recognize the United States."

## FUGITIVE CAUGHT.

OAKLAND, California, July 31.—Word reached the Oakland police today that Sir Flary Westwood-Cooper, wanted here to answer a charge of bigamy, has been arrested by the police of Sydney, Australia.

## RECORD INCREASE.

Complete returns are now at hand of our foreign commerce for the fiscal year ending June 30. Our total foreign trade amounted to \$31,857,000,000 which was \$280,000,000 in excess of the previous year, and mu b the largest on record. Our exports in that period were \$2,040,000,000, also a record-breaking total, and \$154,000,000 in excess of last year. Imports broke the record, reaching \$1,653,000,000, or \$126,000,000 in excess of last year. These figures leave an excess of exports over imports amounting to \$550,000,000, which was only surpassed once, in 1908, when the excess was \$666,000,000.—Henry Clews.
